Meet our Chapter Vice President

Melissa Ervin has been a member of the Detroit Chapter since 2021. She earned her bachelor's degree in Human Resource Management from Oakland University and her CEBS in 2020. Melissa recently started a new position as a Total Rewards Manager at Automox and previously worked as a U.S. Benefits Manager at AirBoss of America. She learned early in her career that Total Rewards was her favorite part of being in the HR field and has spent the last 11 years perusing that passion. Melissa is so grateful for the opportunity to serve on the board with some amazing benefits professionals!

Past Event Summary

Our second in-person education/social event of the year was held on July 27th at the Detroit Athletic Club and Comerica Park. The morning began with breakfast and a panel presentation addressing “Voluntary Benefits: The Creative Way to Recruit and Retain today’s Multigenerational Workforce”. Approximately 40 members and non-members alike heard from industry experts and employers on ways they are tackling the “Great Resignation” by offering new innovative solutions for their clients and employees. Following the presentation, all were invited for lunch and networking at Comerica Park where the Detroit Tigers were successful in securing a win over the San Diego Padres. Thank you to our generous sponsors: Colonial Life, Unum and Marsh & McLennan Agency. Your support means a lot to our Chapter.

Upcoming Events
